ZIT Letters

ZIT LETTERS
PO BOX 859, HOVE,
EAST SUSSEX BN3 2B3

THE PAGE THAT'S GOT THE MOST FOULEST WIND!

Drop us a line to the address at the top of the page. And if you'd like yours to be the £10 Star Letter, simply enclose a couple of fivers with it.

DEAR ZIT

After watching several commercials for the Nat West bank, I now know why I'm forced to queue for over 2 hours every piggin' lunchtime.

Judging from the ads, it would appear the staff are all too preoccupied exchanging coy looks or are far too busy fucking one another.

How about printing a photo of that smug little shit who "does a bit of everything" - including the little girl that works with him.

Gavin Hardacre
Coventry

Anything to oblige Gavin. After all, "It's not all work work work".

PONEY POSER

Over the last 6 months I've grown a 'trendy' ponytail. Predictably enough my mother asked if this meant that I was now gay. It's this sort of typical narrow minded response that young people have come to expect from parents, who seem to think that anyone with long hair is automatically homosexual.

In actual fact, I only grew it in the first place because my live in male companion prefers it that way.

C Logan
Northumberland

I am writing to express my whole hearted support for the views express by Mr C Logan in the above letter. Honestly, you can't so much as fist fuck your best mate without someone inferring that you may have latent homosexual tendencies.

Paul Sewell
Southport

This morning when I went to the toilet, I was particularly worried

to find that my stools had come out as chips.

So imagine my relief when the wife pointed out that I had failed to lift up my string vest.

Jeff Cahill
Sutton

Do you have an old joke that you'd like to fob off as a letter, in the pathetic hope of winning £10? Well, stick it up your arse.

HAIRTRIGGER RELEASE

Like many couples, my girlfriend and I like to talk dirty to one another during sex. Indeed, if there's one phrase that's absolutely guaranteed to make me ejaculate, it's when she sexily whispers in my ear "Don't come yet".

S Crossley
Halifax

Do any other readers suffer from Premature Ejaculation? Let us know how humiliating it feels by dropping us a line. Just as soon as you can, obviously.

EAU DEAR!

Why waste money on expensive sparkling mineral water? I simply take a jugful from the tap and get grandma to fart in it.

Tobby Johnson
Newquay

I am from the beautiful city of Omsk in the Soviet Republic and recently saved up enough money to buy your crazy comic. But the 280 Rouble's were well spent, for I love your whacky, carefree, subtle and socially informative western humour. It's Fan-dabi-dosey as your alternative Jimmy Kranky would say.

Vlad Smirnoff
Omsk, Russia

Kids do say the most funniest things! Only last week whilst on the potty, my daughter said something terribly funny. Though what it was exactly, escapes me for the minute. But they do say some funny things, don't they.

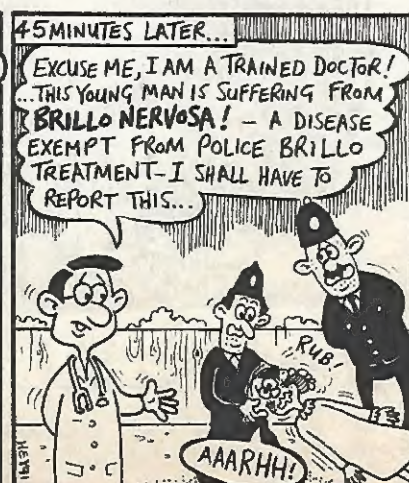

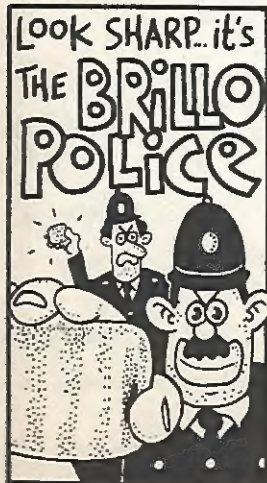

My daughter is 23 by the way.

DEATHWISH

Elvis is dead, Bob Marley is dead, Buddy Holly is dead. Now all I need is that bastard Mick Jagger for my Yankee.

Gerard Hardiment
Co Down

Surely it's time Myra Hindley and Ian Brady were released from jail. Their pathological desire to kill the youth of Manchester, while clearly unacceptable in the 60's, would surely be more than welcome in the 90's when there are so many crap bands and stupidly dressed young followers roaming the streets of the city. Come on Prime Minister, how about it?

L Longford
Parkworm, Infirmary

TWAT FACE

Last week at the cinema whilst watching the film "Ghost", I was forced to turn around and tell the couple behind me to stop their incessant chattering. So imagine my surprise when they turned out to be none other than Patrick Swayze and Whoopie Goldberg. It was only then that I realised I had been sitting the wrong way round. This would also explain why the version I saw, consisted of a

semi bald man sitting slumped in a chair, stuffing his face for over an hour.

Steve Hatchett
Staffs

Why is it that after going on my stagnight, in which the lads kidnapped me, tied me up and left me in the corner of a dark room, I get sacked the next day for turning up for work 5 minutes late. Whereas John McCarthy is late by 5 and a half years, yet when he bothers to turn up, he finds he's still got a job. And he gets a ride in a helicopter too! Sometimes life just isn't fair.

Jock Dillon
Salcombe

I write to you regarding the controversy surrounding athletes who take drugs to improve their performance. Isn't it about time somebody gave Steve Cram some?

DID YOU KNOW BUDDY HOLLY?

THE BIG BOPPER DID. AND THEY DIED TOGETHER IN A PLANE CRASH. APPARENTLY A ROW BROKE OUT IN THE COCKPIT AND BUDDY GRABBED THE JOYSTICK OUT OF THE BOPPERS' HANDS. NEEDLESS TO SAY AN APTITUDE FOR SONGWRITING DOESN'T NECESSARILY LEND ITSELF TO PULLING A PLANE OUT OF A NOSE-DIVE, AND BUDDY WAS NO BIGGLES.

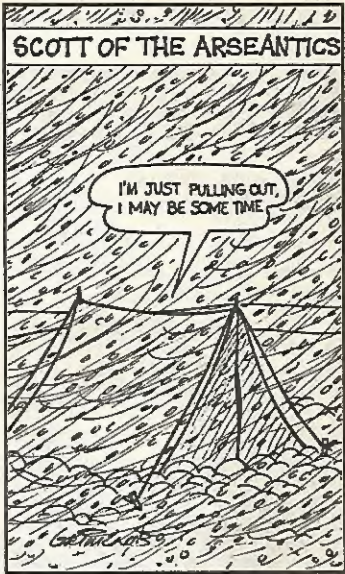

ANYHOW, THE REST IS HISTORY AND SO IS BUDDY.

NEXT ISSUE WE ASK - DID YOU KNOW EDDIE COCHRAN?

COME CLEAN

I was at the pub the other night enjoying a few jars with the lads. I'd drunk half my pint when I noticed that there was bright pink lipstick around the rim of my glass. Naturally I brought this to the attention of the bar staff and remonstrated with them as to the inadequacy of their glass cleaning. Imagine my embarrassment when the friendly barmaid reminded me that I am a transvestite and that the bright pink lipstick was in fact my own.

WHOSE GUSSET?

"I LICKED BAKED BEAN SKINS FROM SHANE MacGOWAN'S TEETH!"

Society Deb Confesses

Society Debutante and all round rich bitch, Deborah Brown, has revealed the sordid antics of a night spent with Pogues lead singer Shane Macgowan.

TIME

Blonde Deborah 23, told us, "I had been hanging around with the band for some time. Then one evening whilst I was a bit tiddly, Shane - who had just finished eating a plate of beans on toast, called me over for a passionate bit of spit swapping". "As my tongue ventured into his gaping mouth, he pulled away and suddenly asked me to do him a big favour."

STARLIGHT EXPRESS

"I was a little bit reluctant at first", Deborah continued, "Because when he says this, I usually end up being photographed with several band members and a number of wide necked bottles in some funny places".

"Anyway, when I asked him what he wanted me to do, he said in his drunken Irish slur, 'Be a little darlin' and lick the beanskins off my teeth'".

SUNDAY EXPRESS

Deborah did as she was told, but now says "Oddly enough, it wasn't as unpleasant as it sounds. As a matter of fact it was less repulsive than when I had to trim Des O'Connor's nasal hairs. And it was certainly more palatable than the time I had to lick Bob Wilson's ear wax out." By now, it was apparent that Deborah could tell lies faster than a donkey can piss. But because she was a bit tasty, we decided to phone the Baked Bean company anyway.

THE OBSERVER

Not surprisingly, the woman on the other end of the phone didn't know what we were talking

about. When we phoned again later, she threatened to call the police if we didn't quit fucking about.

What Gives Girls a WIDE-ON?

Fellas - ever wondered what really turns the girls on? Ever been worried about your lack of sex appeal and general all round inability to give girls a wide-on? Well worry no more. Because an exclusive survey has revealed some surprising facts about what really gets the gals frothy round the gills!

PARTNER

It needn't matter that you possess a boat race that looks like a Pit Bull sucking the piss off a nettle. For when it comes to selecting a partner for life, it appears that women of the 90's will opt for second best. Not for them, clean cut mega hunks like Mel Gibson, Arnie Schwarzenegger and Suzanne Charlton.

GAGGING

On the contrary. The survey reveals that women are just gagging for your average slightly overweight slob who would guarantee them a worry-free life - with no chance of them ever running off with a young pretty bimbo.

SEAL

So if you're a balding overweight, ginger soapdodger - count yourself lucky. Because the merest glimpse of your beer gut is enough to get women wet enough to seal envelopes!

ADAMSKI

The shock findings have completely revolutionised what women find desirable in men. Out go swarthy good looks, impeccable manners and a tight pert bottom. In comes beer guts, spotty backs and pant skiddies.

Another great load of old toilet that Cosmo rejected

**Above: Arnie a huge turn-off
Below: The sort of fat bastard that women go bubbly at the gills for.**

And if you can also demonstrate a nice line in "builders hairy arse crack", then you're almost certain to be able to generate buckets of Fanny Batter.

ARE

But it's ginger haired men who will benefit most from the radical change in womens tastes. For years, Ginger men have had to put up with having ludicrous orange hair - often becoming so ashamed that they'll claim to be a "strawberry blonde", when in fact everyone knows they're simply "Orange". As a result, the chances of them ending up with an attractive woman have

always been about as likely as them acquiring a rich, deep, even tan.

BOTH

However, all that has now changed. The survey shows that amongst young successful women, nothing is likely to induce a glistening gusset quicker than the sight of an overweight "Carrot top".

UGLY

And if he's balding, freckly and smelly as well as Orange, then there's a good chance of him

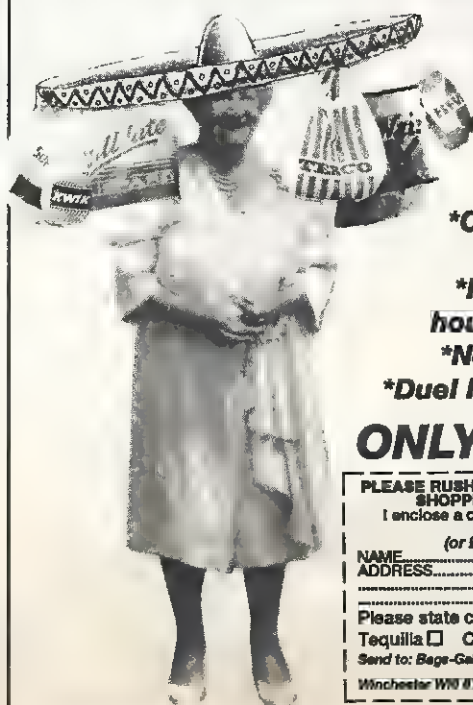

giving the girls a wide-on the size of the Cheddar Gorge.

WANKERS

But surely it can't be all good news for unattractive men? Well no it's not actually. You see we made the whole thing up. What started off as just a bit of a lark rapidly got out of hand. I'm afraid you'll just have to face it, the awful truth is women only like rich, good looking men who are good at doing it. They're simply not interested in anyone else. And certainly nobody as ugly as you.

SELF-MADE MILLIONAIRE REVEALS SECRETS

Five years ago, I was lucky enough to meet and become close friends with a 42 year-old self-made multi-millionaire. He taught me that it is not how hard you work that counts (many people work hard all their lives, but have nothing to show for it). He shared with me his most closely guarded secrets. By following his advice, I was able to become a millionaire within 3 years. If you seriously want to become wealthy, send me your name and address, and I will send you an amazing information pack free of charge.

What you do now is up to you. If I am wrong all you have wasted is a few minutes and a postage stamp. But what if I am right?

Jimmy White in Moonlighting Sensation!

Snooker ace Jimmy White has been exposed for moonlighting while away from the international snooker circuit.

SECRET

Jimmy had hoped to keep his extra curricular activities a secret from the world. But with the general release of the film "Edward Scissorhands", too many people recognised the smooth cockney in the leading role.

ROLE

We asked Jimmy how long he had been acting and how the role came about. After strenuously denying that he was old "Scissorhands" himself, Jimmy finally came clean. "Yes, it's true, I've been bit part acting for some time now, my big break came when I was at the world premier of Batman.

SANDWICH

I had just finished a heavy drinking session with Alex Higgins and had not been to bed for twenty four hours so

Jimmy White in his Edward Scissorhands gear, yesterday.

needless to say I was looking a little rough. Next thing I know this American rushes over to me and asks whether I would be interested in playing the lead role in his new film. Well what could I say, I signed up immediately and the whole thing was shot in three days".

BAGUETTE

Since the shock revelations, other snooker stars have also come out of the closet. Dennis Taylor, that suave Irish ex world champion with the stupid glasses also had a terrible confession to make about his activities away from the green baize.

★★

BAP

"It's time to come clean" he admitted "During tournaments I've earned extra income by gardening for veteran actress Thora Hird. I didn't really want to do it, but the compulsion to weed the herbacious borders of this lovely saint like actress was just too tempting".

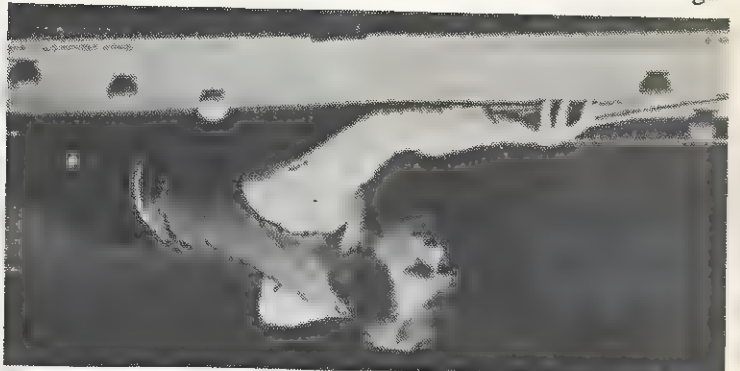

BOFF

But the scandal doesn't end there. That loveable mop topped Liverpoolian ace John Parrot is another snooker star rich from undeclared earnings. John

confessed to us that he regularly worked the late shift as a petrol station attendant on the A45, the main trunk road out of his native Liverpool.

THWACK

We asked John, had he ever been recognised whilst handing out change and looking up the prices of things in the freezer, while keeping everyone waiting when all they wanted was a Twix? "Nah, said John. They just ignore me and treat me like a piece of shite - just like they do with all attendants. Although

Above: Alex Higgins yesterday, pissed and under the table as usual
Below: Dennis Taylor in his soppy bollocks 'JOE 90' gear yesterday.

it certainly makes a change from youngsters wanting my autograph and young girls wanting to shag me."

BIFF

On the subject of shagging we asked that professional shagger and full time drinker Alex Higgins, what he did on his nights off. Alex looked up from under the table and slurred, "S...s...s...snookerrrr!"

INSTANT SEX APPEAL

NEW! Scientists have isolated and synthesized a natural female attractant - PHEROMONE. Controlled experiments show it attracts women and have been widely reported in the press:

- 'Minute quantities were sprayed on a chair in a dentists waiting room. Women patients went straight for the chair.' - The Sunday Times.
- 'Pheromone secretions not only attract women, but repel other males.' - World Medicine. (Journal for GPs)
- 'A male sex pheromone which has a scent that attracts females' - Time (Vol. 115, No.2)
- Pheromones are known to influence human behaviour in a subtle way. They are thought to prime women to be more sexually receptive and help to make their menstrual cycle regular. - Daily Telegraph, 7.12.90.
- 'And now the Pheromone has been marketed, we've tested it - and good grief, it works' - Knave.
- 'The stuff attracts women like you would not believe.' - Colorado Telegraph.
- Lowell Ponte, a former consultant on exotic weapons and a Readers Digest science writer, said in an interview that 'use of the recently discovered chemical Pheromone should be banned - congress should pass a law making it a crime to use this chemical to influence voters by making politicians appear more lovable' - San Francisco Chronicle.
- 'It's something women don't consciously smell, it works in the olfactory nerves. The woman finds the man attractive but she doesn't know why.' - Lifestyle.

SUCCESSFULLY TESTED ON BBC TV's TOMORROWS WORLD

CONTACT 18 is a Pheromone fragrance for men. User reports confirm success:

- 'It really does seem to work! The most dramatic instances have occurred when wearing it at discos. Girls just drift towards me and start flirting. D.T. Cardiff.
- 'I knew CONTACT 18 wasn't a gimmick when one of the girls at work... quite out of character, started to seduce me when we were alone in the office.' S.D. Nottingham,

POP STAR RECIPES No.1

MARC ALMOND'S SPONK SPONGECAKE

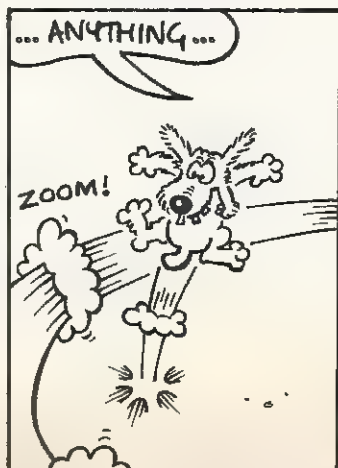

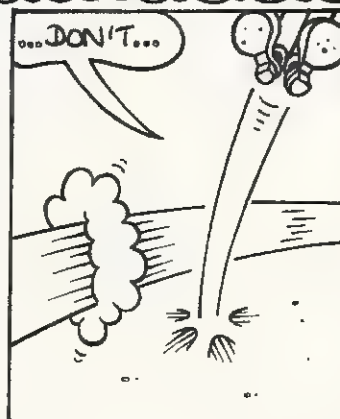

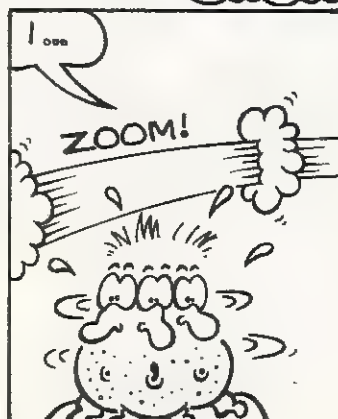

SPONK SPONGECAKE

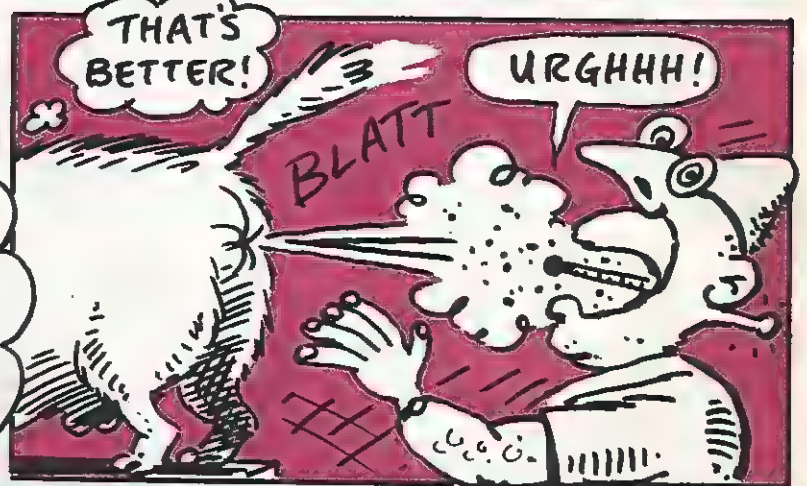

Take a packet of ready made spongecake mix, this is available from most supermarkets and general stores. Now add one egg and stir well. Next take one pint of sponk. This is available from several outlets but I get mine delivered (if that's the right word) from my milkman in handy pint containers. Mix in well then pop into a hot ring for forty minutes. Once you've finished popping it into the hot ring, place your cake on a baking tray and microwave for ten minutes and send the young chap home.

This is a lovely dish that provides all the natural goodness one needs for a healthy balanced diet. It's rich in protein and carbohydrate and saves you all the hassle of blistered lips.

Each issue we bring you a recipe from a famous pop star. This month it's the turn of ex Soft Cell singer Marc Almond to reveal his favourite dish. It's quick and easy, says Marc and is a real bellyfiller. Here's the recipe.
